 - You have not paid the Return Fee.

2. HOW THE MAZDA FUTURE VALUE IS WORKED OUT

- a. If you wish to use this Certificate, you must deliver the Motor Vehicle by the date and at the place specified by us so we can arrange for a vehicle inspection report to be done (at your cost). If following the inspection the Motor Vehicle is not in as good condition and working order as it was at the start of your Mazda Credit Contract (fair, wear and tear excepted) or does not have five sound tyres (not re-treads) of warrant of fitness standard, then you will owe the GST inclusive amount to reinstate the Motor Vehicle to the required condition. This amount will be based on the estimated cost to reinstate by a motor vehicle repairer we have chosen.
- b. If, as at the Vehicle Return Date you have gone over the Kilometre Allowance, you will owe us the Excess Kilometre Charge.
- c. The Mazda Future Value will be reduced by any amounts you owe us under clause 2a and 2b ("Net MFV").

3. TRADE-IN

- b. We are under no obligation to make an offer to you if, as at the Vehicle Return Date, the Motor Vehicle is not in the same condition and working order as it was when the vehicle inspection report was done (fair, wear and tear excepted) and does not have five sound tyres (not re-treads) of warrant of fitness standard.
- c. If you use this Certificate, we will pay you the higher of:
- The best wholesale price we can get for the Motor Vehicle; or
 - Mazda Future Value or the Net MFV (as the case may be);
- Less
- All moneys you may owe us under your Mazda Credit Contract.

- d. If the amounts you owe us under your Mazda Credit Contract are more than the amounts we are to pay you under this clause 3, you must pay the difference to us on demand.
- e. You are under no obligation to accept our offer under this clause if your Dealer offers you more for the Motor Vehicle than the Mazda Future Value or Net MFV (as the case may be). For the avoidance of doubt in that case you must still pay us all moneys you owe us under your Mazda Credit Contract.
